

Bothell 5K *Capes for Courage* Run/Walk

8/6/2022

Bothell, WA

We cordially invite you to participate as a sponsor of the 7TH annual Capes for Courage 5K Run/Walk.

The event will be held on Saturday, August 6, 2022, at the Northshore Health & Wellness Center in Bothell. The race will kick off at 7:30 a.m. with registration and packet pick-up. The 5k Run/Walk will start at 9:00 a.m. Awards will be given for top finishers of the 5K by age group.

The Northshore Inclusion Program (Northshore Wranglers) is one of the largest programs of its kind in the Puget Sound area and was founded in 1998. The pandemic has been particularly disruptive to people with disabilities. Prior years have had a focus on comradery, getting together to enjoy sports, arts, and day programs. In response to COVID restrictions, virtual activities such as Sign Language, Dance, Balance & Strength, and Reader Theater have been developed to help peers connect. As the community emerges from the pandemic, re-establishing connections for our young people is more important than ever. Funds from the Capes for Courage 5K will help the Northshore Wranglers bring coaches and advisers on board to expand options for our members to participate in social activities, webcast their adventures, tell stories, and showcase their abilities. Our fundraising goal is \$45,000.

If your business provides donation matching funds, please consider a personal donation, and ask your company to match it to increase the aid you can provide this important community program.

Thank you in advance for your consideration. The attached sponsorship form can be completed and submitted by mail, or you can go to www.bothell5K.org and click the yellow "Sponsor" star midway down the page on the right.
